

Larry S. Eubanks

Address:

Department of Economics
University of Colorado at Colorado Springs
Colorado Springs, Colorado 80933-7150
(719) 255-4003
leubanks@mail.uccs.edu
<http://economicsandliberty.blogspot.com>

Education:

1980 Ph.D., Economics University of Wyoming.
Dissertation: "Essays on Non-Market Valuation with Application to Valuing Wildlife Resources"
1974 B.S., Economics University of California, Riverside.

Professional Experience:

2000- University of Colorado at Colorado Springs, Department of Economics, Associate Professor
1995-2000 University of Colorado at Colorado Springs, Department of Economics, Chair, Associate Professor
1991-1995 University of Colorado at Colorado Springs, Department of Economics and Graduate School of Public Affairs, Associate Professor
1986-1991 University of Colorado at Colorado Springs, Department of Economics and Graduate School of Public Affairs, Assistant Professor
1980-1986 University of Oklahoma, Division of Economics, Assistant Professor
1979-1980 The Pennsylvania State University, Department of Economics, Acting Assistant Professor
1979 University of Wyoming, Institute for Policy Research, Resource and Environmental Economics Laboratory, Research Associate

Publications:

L. Eubanks and J. Wyckoff, "Voluntary Contributions to State Nongame Wildlife Programs," **Journal of Environmental Economics and Management** 16, 38-44 (1989).

D.S. Brookshire, L.S. Eubanks, and C.F. Sorg, "Existence Values and Normative Economics: Implications for Valuing Water Resources," **Water Resources Research** 22, 1509-1518 (October 1986).

Michael J. Mueller and Larry S. Eubanks, "Institutional Effects on an In Situ Natural Resource Market: Forced Pooling in a Petroleum Reserves Market," **Southern Economic Journal** 53, 374-392 (October 1986).

Larry S. Eubanks and Michael J. Mueller, "An Economic Analysis of Oklahoma's Oil and Gas Forced Pooling Law," **Natural Resources Journal** 26, 469-491 (Summer 1986).

David S. Brookshire, Larry S. Eubanks, and Alan Randall, "Estimating Option Prices and Existence Values for Wildlife Resources," **Land Economics** 59, 1-15 (February 1983).

Non-Refereed Publications:

Sarosh I. Khan, Larry Eubanks, Michael Mueller, and Juan Robles, **Common Performance Measures Practitioner's Guidebook**, Colorado Department of Transportation, Report CDOT-UCD-UCCS-99-7 (June 1999).

Larry S. Eubanks and Michael J. Mueller, "Transportation Economic Benefits," Technical Paper prepared for Developing Common Performance Measures to Evaluate Transportation System Investments Across Modal Lines, Research Funded by Colorado Department of Transportation (August 20, 1997).

Michael J. Mueller and Larry S. Eubanks, "Air Pollution Benefit/Cost Estimates," Technical Paper prepared for Developing Common Performance Measures to Evaluate Transportation System Investments Across Modal Lines, Research Funded by Colorado Department of Transportation (July 31, 1997).

Michael J. Mueller and Larry S. Eubanks, "Efficiency Analysis and Full Social Cost Mockup," Technical Paper prepared for Developing Common Performance Measures to Evaluate Transportation System Investments Across Modal Lines, Research Funded by Colorado Department of Transportation (June 25, 1997).

Larry S. Eubanks and Michael J. Mueller, "Notes on the Booz-Allen Mobility Index," Technical Paper prepared for Developing Common Performance Measures to Evaluate Transportation System Investments Across Modal Lines, Research Funded by Colorado Department of Transportation (May 5, 1997).

Larry S. Eubanks, "An Economic Analysis of Garden of the Gods Park," Final Report to Colorado Springs Park and Recreation Department (December 1993).

Larry S. Eubanks, "Annual Economic Impacts and Benefits of Colorado Springs Park and Recreation Department Softball Programs," Final Report to Colorado Springs Park and Recreation Department (February 1991).

Bill Leon, Lynn Johnson, and Larry Eubanks, *Great Plains Reservoirs Multiple Use Development Feasibility: Summary Report*, Center for Community Development & Design, University of Colorado at Colorado Springs (1989).

Larry Eubanks, "Estimated Economic Benefits of A Great Plains State Park," Technical Appendix to *Great Plains Reservoirs Multiple Use Development Feasibility: Summary Report*, Center for Community Development & Design, University of Colorado at Colorado Springs (1989).

Thibodeau, "Six Studies of Health Benefits from Air Pollution Control," Volume II of Methods Development for Environmental Control Benefits Assessment, Final Report to U.S. Environmental Protection Agency, Office of Policy Analysis. (September 1985).

Ralph C. d'Arge, Susan B. Kask, James C. Case, Shaul Ben-David, Larry S. Eubanks, and Curtis L. Anderson, "Air Pollution and Disease: An Evaluation of the NAS Twins," Volume V of Methods Development in Measuring Benefits of Environmental Improvements, Final Report to U.S. Environmental Protection Agency, Office of Research and Development (June 1982).

D. Brookshire, L. Eubanks, and A. Randall, "The Economics of Habitat Loss and Hunting Congestion," in Energy/Environment Task Forces, *Technical Description of Project and Results*, Final Report, National Science

Foundation Research Initiation and Support Program, pages 6-1 thru 6-30 and Appendices C-F (March 1981).

David S. Brookshire and Larry S. Eubanks, "The Economics of Pricing Hunting Licenses," final report for Ford Foundation Grant "Strategic and Long Range Environmental Policies for the State of Wyoming," also published in **Wyoming Issues** 3, 2-5 (Winter 1980).

R. d'Arge, D. Brookshire, and L. Eubanks, "Environmental Values for the Future: A Methodological Experiment on Ozone Depletion," Final Report to U.S. Environmental Protection Agency under subcontract from Dr. John Cumberland, University of Maryland (1979).

Ralph C. d'Arge and Larry Eubanks, "Municipal and Industrial Consequences of Salinity in the Colorado River Service Area of California," in Jay C. Anderson and Alan P. Kleinman, *Salinity Management Options for the Colorado River*, project completion report to U.S. Bureau of Reclamation, Utah State University, Water Resource Planning Series, 253-277 (June 1978).

David S. Brookshire, Alan Randall, and Larry S. Eubanks et. al., "Methodological Experiments in Valuing Wildlife Resources," Final Report to U.S. Fish and Wildlife Service (November 1977).

Ralph C. d'Arge and Larry S. Eubanks, "Estimates of Consumer Demand Relationships for Selected Aerosol Products," in International Research and Technology Corporation, *The Economic Impact of Potential Regulation of Chlorofluorocarbon-Propelled Aerosols*, Final Report to U.S. Environmental Protection Agency, Appendix B (April 1977).

Ralph d'Arge, Larry Eubanks, and Joseph Barrington, "Benefit-Cost Analysis for Regulating Emissions of Fluorocarbons 11 and 12," Final Report to U.S. Environmental Protection Agency (February 1976).

Ralph d'Arge, Larry Eubanks, and Joseph Barrington, "Toward A Dynamic Economic Model for Regulating Fluorocarbon Emissions," **Environmental Modeling and Simulation**, Washington, D.C.: U.S. Environmental Protection Agency, 446-452 (1976).

Thomas Crocker, Larry Eubanks, and Robert Horst, Jr., "Estimation of Climatic Impact through Property Value Analysis," in Ralph C. d'Arge (ed.), **Economics and Social Measures of Biologic and Climatic Change**, Washington, D.C.: U.S. Department of Transportation, pages 3-78 thru 3-81 (1975).

Thomas Crocker, Larry Eubanks, and Robert Horst, Jr., "Electricity Demand in All-Electric Commercial Buildings: The Effect of Climate," in Ralph C. d'Arge (ed.), **Economic and Social Measures of Biologic and Climatic Change**, Washington, D.C.: U.S. Department of Transportation, pages 3-82 thru 3-106 (1975).

Thomas Crocker, Larry Eubanks, Robert Horst, Jr., and Benjamin Nakayama, "Covariation of Climate and Household Budget Expenditures," in Ralph C. d'Arge (ed.), **Economic and Social Measures of Biologic and Climatic Change**, Washington, D.C.: U.S. Department of Transportation, pages 3-186 thru 3-199 (1975).

Book Chapters:

David S. Brookshire, Larry S. Eubanks, and Alan Randall, "Estimating Option Prices and Existence Values for Wildlife Resources," in Anil Markandya and Julie Richardson, **Environmental Economics: A Reader**, St. Martin's Press: New York (1993).

L.S. Eubanks and R.A. Cabe, "Normative Economics and the Acid Rain Problem," in Thomas D. Crocker (ed.),

Economic Perspectives on Acid Deposition Control, Boston: Butterworth Publishers, Ann Arbor Science, 81-96 (1984).

David S. Brookshire and Larry S. Eubanks, "Contingent Valuation and Revealing the Actual Demand for Public Environmental Commodities," in Gordon Tullock (ed.) **Public Choice in New Orleans**, Blacksburg, VA: Center for Study of Public Choice, 75-89 (1980).

David S. Brookshire, Larry S. Eubanks, and Alan Randall, "Valuing Wildlife Resources: An Experiment," **Trans. North American Wildlife and Natural Resources Conference** 43, 302-310 (1978).

David S. Brookshire, Larry S. Eubanks, and Robert D. Rowe, "The Impact of Coal Development on Wildlife: An Economic Analysis," in Duane G. Nichols, et. al. (eds.), **Energy and the Environment: Proceeding of the Fifth National Conference**, Institute of Chemical Engineers, 480-486 (1978).

Book Reviews:

Jacqueline Lang Weaver, *Unitization of Oil and Gas Fields in Texas*, Washington, D.C.: Resources for the Future (1986), **Natural Resources Journal** 27, 237-240 (Winter 1987).

Conference Papers and Presentations:

"Pollution in Economics," presented at the WINIR Conference on "Polycentric Governance & the Challenges of the 21st Century," Sept 6-9, 2022, Online (with Glenn L. Furton).

"Pollution in Economics," presented at the 2022 meetings of the Public Choice Society, March 10-12, Nashville Tennessee (with Glenn L. Furton).

"Facing Difficult Choices: CDOT's Common Performance Measures Research," presented at the 72nd Annual Colorado Transportation Conference, Denver, CO, October 19-20, 1999.

"Common Performance Measures to Evaluate Transportation System Investments Across Modal Lines for Rural and Small Urban TPRs," (with S. Khan, M. Mueller, E. VanLauwe and C. Joy) presented at the 76th Annual Meeting of the Transportation Research Board, Washington, D.C., January 12-16, 1997.

"Economic Growth with Natural Resources and Endogenous Population: Trusteeship or Sustainable Development" (with M. Mueller) presented at the Third Interdisciplinary Conference on Natural Resource Modeling, Cornell University, October 11-13, 1990.

"Trusteeship and Optimal Economic Growth with Endogenous Fertility" (with M. Mueller) presented at the Conference of North East American Researchers, Quebec, Canada, October 1989.

"Clean Air Economics and Colorado," presented at the meetings of the Colorado Public Health Association, Vail, Colorado, June 8, 1989.

"What Should We Be Paying to Clean the Air?" presented at the 4th Annual Mobile Sources/Clean Air Conference, Breckenridge, Colorado, September 13, 1988.

"Reflections on the New Resource Economics," presented at Western Social Science Association meetings, Denver, Colorado, April 28, 1988.

"Normative Economics and the Acid Rain Problem" (with R. Cabe) presented before Division of Environmental Chemistry, 183rd American Chemical Society Meetings, Las Vegas, Nevada, March 28-April 3, 1982.

"Methods for Valuing Non-Market Resources: A Theoretical and Empirical Comparison" (with D. Brookshire) meetings of the Econometric Society held in conjunction with Allied Social Sciences Association Meetings, Washington, D.C., December 27-30, 1981.

"Household Production and Non-Market Valuation" (with D. Brookshire) meetings of the Association of Environmental and Resource Economists held in conjunction with Allied Social Sciences Association Meetings, Denver, Colorado, September 5-7, 1980.

"Option and Existence Values for Wildlife Resources: An Experiment" (with D. Brookshire and A. Randall) meetings of the Western Economics Association, Las Vegas, Nevada, June 17-21, 1979.

"Stratospheric Pollution: Models for Regulation" (with R. d'Arge and J. Barrington) meetings of the Western Economics Association, San Francisco, California, June 1976.

Working Papers:

"Pollution in Economics" (with Glenn L. Furton)

"The Institutional Structure of Pollution" (with Glenn L. Furton)

Work in Progress:

"The Use of Knowledge in the Environment" (with Glenn L. Furton)

Courses Taught:

Austrian Economics, Intermediate Microeconomics, Economics of the Public Sector 1 & 2, Constitution and the Economy, Economic Freedom, Power and Prosperity, Urban Economics, Economics of Social Issues, Public Finance (undergraduate economics and MPA), Environmental Economics (undergraduate and graduate), Your Inner Economist, Public Policy Analysis (undergraduate economics and MPA), Local Economic Development, Economics of the Sports Business, Introduction to Political Economy, Advanced Microeconomics, Microeconomic Principles, Economics Senior Seminar, Contemporary Economic Issues, Introduction to Normative Economics, Recreation and the Public Lands, Energy Economics, Managerial Economics, Capitalism and Economics.

Honors and Awards:

University of Oklahoma Student Association Award for Outstanding Teaching and Service, Spring 1985
Junior Faculty Summer Research Fellowship, University of Oklahoma, Summer 1981

Service:

Referee

Journal of Environmental Economics and Management
Water Resources Research

Southern Economic Journal
Social Science Journal
Journal of Applied Business Research
National Science Foundation
Mercatus Center at George Mason University.

University Service

- UCCS:* Curriculum Advisory Committee, Spring 1997 - Fall 1999; Southern Colorado Student Research and Creative Works Conference Planning Committee, Fall 1995 - Spring 1997; Chair, Faculty Assembly Elections Committee, Spring 1992; Library Advisory Committee, Fall 1988-Spring 1993; Master Plan Committee, Spring 1988-Spring 1989; Curriculum Committee, Fall 1986.
- LAS:* Committee on Academic Progress, Fall 2022 - ; Fall 2004 – Spring 2009; Budget and Planning Committee, Fall 1997-Spring 1999; Committee on Academic Progress, Spring 1993-Spring 1998; Steering Committee, Center for the Study of Sports and Leisure, Spring 1988-Spring 1989; Accountability Task Force, Fall 1986-Spring 1987.
- ECON:* Annual Merit Review Committee, Fall 2021 – Spring 2022; Faculty Search Committee, Fall 2016-Spring 2017, Economics Department Major Advisor, Fall 2016 – Spring 2017; 2 Comprehensive Review Primary Committee, Fall 2015; Post-Tenure Review Primary Committee, Chair, Fall 2014; Post-Tenure Review Primary Unit Committee, Fall 2014; Assessment Committee, Fall 2013-present; Faculty Search Committees, Fall 2011-Spring 2012; Interim Department Chair, Fall 2010; Post-Tenure Review Primary Committee, Fall 2006; Department Chair, Fall 1995 thru Spring 2000; Tenure Review Primary Committee, Fall 1999; Chair, Comprehensive Primary Review Committee, Fall 1996; Co-Chair, Program Review and Self-Study, Fall 1994-Spring 1995; Reappointment Primary Committee, Fall 1994; Program Review Self Study Committee, Fall 1994; Faculty Search Committee, Fall 1992-Spring 1993; Supervisor, Economics Internship, Fall 1991-Spring 1993; Faculty Search Committee, Fall 1991-Spring 1992; Faculty Search Committee, Fall 1989-Spring 1990.
- GSPA:* Reappointment Primary Committee, Spring 1994; Tenure Review Primary Committee, Spring 1992; Chair, Reappointment Primary Committee, Fall 1991; Faculty Search Committee, Fall 1991-Spring 1992; Chair, Dean Search Committee, Fall 1991; Chair, Admissions Committee, Summer 1991-Spring 1993; Faculty Search Committee, Fall 1989-Spring 1990; Comprehensive Review Primary Committee, Fall 1989; Faculty Search Committee, Spring 1989; Faculty Search Committee, Fall 1987-Spring 1988; Resident Dean Search Committee, Fall 1986-Spring 1987.
- PolSci:* Comprehensive Review Primary Committee, Fall 2014; Tenure Review Primary Committee, Spring 1994.

Public

“Economics Across the Curriculum,” Aspen Academy (2006)

Science Fair Judge, Meritor Academy (February 2005)

Socioeconomic Advisory Committee, Pikes Peak Area Council of Governments (Fall 1989-1993)

Membership Committee, American Society of Public Administrators, Southern CO Chapter, (Sum 1988-Sum 1989)

Tourism and Recreation Economics Advisory Group, Oklahoma Department of Tourism and Recreation (Fall 1985)

Natural Resources Sub-Committee, Project 89er, Oklahoma State Senate (Fall 1982)

Water Use Task Force, Sierra Club, Oklahoma Chapter (1982)
